## ABOUT METRO THEATRE

Metro Theatre (the Metropolitan Cooperative Theatre Society) is a registered non-profit cooperative society, and is fueled by volunteers. Its mission is to promote and develop theatre arts on a non-professional level.

Metro Theatre was created in 1962, and has produced 491 shows, including nearly 50 musicals, over the past 52 years. Sometimes referred to as the “humble little theatre”, Metro ironically has 307 seats and puts on seven shows a year, more than all other non-professional theatre companies in North America and many professional ones.

Metro Theatre is wheelchair-accessible and provides assisted-listening devices upon request. It offers season subscriptions as well as individual reservations online and at the door.

Metro Theatre is located at 1370 SW Marine Drive, at the base of the Arthur Lang Bridge in Vancouver. It's accessible by transit, and has free and paid parking nearby.
