

**Metro Theatre** is pleased to present **CINDERELLA** our Holiday Musical Pantomime, an annual tradition for over 33 years.

The magic begins **December 15, 2017** and continues through to **January 6, 2018**. Evening performances are at **7:30 pm** with Matinees at 2 pm.

With plenty of catchy musical numbers and considerable audience participation, Metro Theatre's CINDERELLA is the story of how an underdog uses her courage to go after what she wants. The classic glass slipper fairytale is transported to our technology driven world by a take charge Cinderella in sneakers, embracing her girl power, never allowing her wicked stepmother or stepsisters to deflate her happiness, or worrying about the stroke of midnight.

Bibbidi Bobbidi Boo! And the magic of live theatre casts its spell on you. Wonderful costumes in inventive stage settings combined with the wacky hijacks of the two "Dames" (Cinderella's stepsisters), the Metro Theatre Demon (the guy we love to hate), the ever popular Good Fairy, an awkward Prince Charming, hilarious best friend Buttons along with the iconic evil stepmother prompt captivated children and adults alike to cheer, boo, laugh, groan and even sing and dance along, in a fun-filled experience for the whole family.

Director Mike Mackenzie *"We have taken the classic story of Cinderella that everyone knows, and given it a modern twist with a strong, confident woman who does not need a male to "complete" her instead wanting a partner to compliment her personality and ideals. Exploring the piece in the times we live in, with local topical references continues the Metro Theatre decade's old tradition of witty pantomimes that delight."*
